

The word "SUMMERFEST" is written in a colorful, bubbly font. Each letter is a different color: S (red), U (green), M (yellow), M (blue), E (light blue), R (purple), F (pink), E (purple), S (purple), T (purple). The letters have a white outline and a slight 3D effect. Four yellow stars with black outlines and two small black dots for eyes are scattered around the text. The background is a vibrant, colorful nebula with green, yellow, and orange hues.

## DAY 1

### **Darkness in the Galaxy**

God made a good and perfect world, but Adam and Eve chose to disobey Him. That choice brought sin into the world, and everything became broken. Sin brought darkness and separation from God. But even in the darkness, God had a plan to rescue us

# GAME

## Super Star Showdown

### Setup

Create one large circle in the middle of the room using cones, tape, or boundaries. Place foam stars all throughout the inside of the circle like a glowing galaxy.

Put 1-2 adult leaders inside the circle with pool noodles. Kids line up with their small groups around the outside of the circle. Each team should have a bucket or container at the front of their line.

# INSTRUCTIONS

1. How to Play
2. When the leader says “GO,” the first kid from each line runs into the galaxy and tries to grab ONE foam star.
3. Once kids enter the circle, the leaders in the middle can try to tap them with pool noodles. Leaders can walk around inside the circle but cannot leave the boundary.
4. If a kid gets tapped before escaping the circle:
5. They must drop their star back into the galaxy
6. They must return to the back of their line empty-handed
7. If a kid escapes the circle safely:
8. They place the star into their team bucket

# INSTRUCTIONS

9. The next person in line goes immediately
10. Special Power-Ups
11. Red Mushroom Stars
12. Scatter a few red mushrooms throughout the galaxy. These are worth 5 points each instead of 1, but leaders can guard them more aggressively.

## Chaos Round

1. For the final 30 seconds, add:
2. A second pool noodle
3. **OR**
4. Allow leaders to move faster
5. **OR**
6. Let leaders stand on chairs/platforms for a “boss battle” feel
7. **Winning**
8. After 5 minutes, stop the game and count all stars.
9. Regular stars = 1 point
10. Red mushrooms = 5 points
11. The team with the most points wins the round.
12. Play multiple rounds and crown the overall champions:  
“SUPER STAR CHAMPS!”
