

The word "SUMMERFEST" is written in a colorful, bubbly font. Each letter is a different color: S (red), U (green), M (yellow), M (blue), E (light blue), R (purple), F (pink), E (purple), and S (blue). The letters have a white outline and a slight 3D effect. Four yellow stars with black outlines and two small black dots for eyes are scattered around the text. The background is a vibrant, colorful nebula with red, blue, and purple hues and white star-like speckles.
