

The word "SUMMERFEST" is written in a colorful, bubbly, 3D font. Each letter is a different color: S (red), U (green), M (yellow), M (blue), E (light blue), R (purple), F (pink), E (purple), S (blue), T (purple). The letters are surrounded by five yellow, cartoonish stars with faces and arms, positioned around the text. The background is a vibrant, colorful nebula with red, blue, and purple hues and white starlight.
